It is a joy to greet you as the District 20 AHEPA family gathers for your District Convention in Chandler, Arizona. Your presence in the southern and southwest regions of our Metropolis is a strong one, demonstrating your unity in faith and your devotion to our Hellenic ancestry. Dear Fellow Members of the AHEPA Family:

Once again we convene our district conventions to plan for the upcoming year and to select our district lodges. Convention deliberations must produce thoughtfully conceived programs and activities. Convention elections must result in strong and committed leadership. If the delegates do their job well the district will enjoy a successful year and the AHEPA will move forward.

In adopting programs for the coming year, delegates should focus on those activities that draw the chapters together and form a unified district. In numbers there is strength. One only has to look at existing programs which enjoy great success. For example, district scholarship foundations have been developed through the efforts of chapters throughout a district. Today these foundations provide thousands of dollars in scholarships.

The key to success is the selection of leaders who are prepared to devote time and resources during their full term of office. Any organization or institution, including AHEPA, requires 12 months of effort. Equally important, delegates should elect a leadership team. The work should not fall on one or two individuals. A district has numerous chapters requiring visitations from leadership. Lodge members should be prepared to share all duties including visitations.

The election of officers should reflect the programs adopted by the district. Individuals should be selected who have the interest and skills to administer an activity successfully. Most important is the ability of a leader to stimulate and involve others.

AHEPA is an extraordinary organization. Commitment to its mission statement – perpetuation of the Hellenic ideals – is essential not only to the success of the fraternity but also to the maintenance of the ideals and values of the society in which we live. We have received a rich legacy from those who came before us. We are the stewards of that legacy which we must pass on to those who follow us.

This year AHEPA enjoyed an increase in membership and enthusiastic commitment to programs such as the resurrection of St. Nicholas at Ground Zero and medical supplies for Mother Hellas. My best wishes for a productive convention leading to continuation of that success.

Fraternally,

Phillip T. Frangos

Dear AHEPA Family,

It is with immense joy that I address you on the occasion of your AHEPA Family District Convention. I would also like to convey to you the sincere and heartfelt greetings from all the sisters of the Grand Lodge.

The time has come yet again to convene as an AHEPA Family and conduct business with your individual Orders in a cordial and productive manner. By working together, I am confident that you will accomplish the objectives you set forth and work towards achieving success in your deliberations.

To the Sisters, remember to keep in mind that every member must bring forth her talents and make contributions to attain the goals set forth by the District. Additionally, the chapters should make every effort to carry out the missions and ideals of the Daughters of Penelope on both District and Chapter levels. Most importantly, I am certain that if all put forth their best and works as a team, they can achieve so much more.

In closing, May God Bless and Guide everyone in your efforts and INSPIRE you to strive to reach your objectives today and in the future. I wish one and all successful deliberations and trust that all will work together for the "Good of the Order."

Robert D. Sexton, Supreme Governor

I have been perusing a collection of old convention albums, both district and supreme Conventions. Of special interest is the album from the 1931 Supreme Convention held in San Francisco. That year, such notables as Herbert Hoover, then President of the United States, Commander Richard Byrd, an AHEPA member, and Franklin Roosevelt, Governor of New York sent greetings to the convention. In less than ten years, AHEPA had achieved national recognition.

AHEPA today continues the work begun in 1922, and it does so through your great efforts and hard work. Our many programs, from senior housing to scholarships to food and medical supplies for Greece to rebuilding the St. Nicholas Shrine, are the result of your dedication to AHEPA's mission:

To promote the ancient Hellenic ideals of education, philanthropy, civic responsibility and family and individual excellence through community service and volunteerism.

The challenges and needs remain and I am sure all the chapters of our region will continue their efforts to promote these important programs.

I have been honored to serve our region as Supreme Governor this year. Congratulations on your convention. I look forward to seeing you all in San Francisco!

June 11-14, 2015

Dear AHEPA Family Members,

When Grand President Anna-Helene Grossomanides assigned me District #20 as one of my Liaisons, I was extremely delighted and thrilled since District #20 and District #21 have enjoyed the bond called the Sisterhood Conference since 1985. This year the Conference was in San Diego.

Alexandra Apostolides on November 16, 1929 (eighty-five years ago) in San Francisco founded the Daughters of Penelope. Alexandra asked twenty-four women to become members of this new organization. This year the Supreme Convention will be back in San Francisco the birthplace of the Daughters of Penelope.

Unfortunately, I will not be able to be part of the District #20 Convention in Chandler, Arizona. I was assigned three Liaisons --District #2 (Florida), District #12 (Indiana), and District #20. District #2 will be having their District Convention from June 12-14 in New Port Richey, Florida.

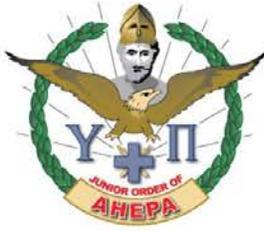

I wish to thank the Daughters of Penelope Chapters in California—Los Angeles, San Pedro, Ventura, Santa Barbara, Hollywood, San Bernadino, Long Beach, North San Diego, Torrance, and Temecula; Las Vegas, Nevada; in Arizona—Chandler, Tucson, and Phoenix, for their letters, e-mails, and sisterly friendship shown to me as your 2014-2015 Liaison.

Wishing all of the AHEPA Family delegates of District #20 a weekend to think clearly and wisely in all their deliberations for a productive Convention. Remembering the Mission of the AHEPA Family to promote Hellenism, Education, Philanthropy, Civic Responsibility, Family and Individual Excellence.

Love in Theta Pi,

District 20 AHEPA Family Convention
Wild Horse Pass Hotel & Casino
Chandler, Arizona

Dear Brothers and Sisters of District 20,

It is with great pleasure that I join you at your Annual District Convention, gathering this year in Chandler.

On behalf of Supreme President Jimmy Googas and the entire Sons of Pericles Supreme Lodge, I would like

to extend our best wishes to District 20 for a successful convention. I would also like to thank the host chapters, AHEPA Tri-City #454 and DOP Aegina #340 for their hospitality and for all their efforts in planning this convention.

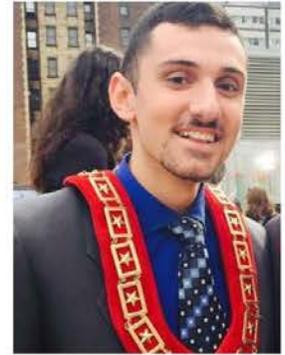

I am proud to say that District 20 has seen growth this year for the Sons of Pericles. In addition to Hellenics #283 of Phoenix, AZ, one of the largest chapters in the Sons of Pericles domain, we saw the reactivation of Olympian #82 in Los Angeles, CA this past March. With the collaboration and efforts of the AHEPA Family throughout District 20, we can continue to grow the youth of the family, both Sons and Maids, and ensure that the AHEPA and Daughters of Penelope will have a future.

I wish all the delegates fruitful deliberations, and hope everyone enjoys the festivities of this year's district convention!

Thank you for the great year as District 20 Governor. I believe, as our forefathers believed that if the program is active and focuses on the goals set forth by AHEPA; membership will follow. We should be a group that attracts worthy men who desire membership; where they want to show off the pride of Hellenism, while providing philanthropy to worthy and righteous causes, such as the education of our youth, protection of our faith and the freedoms and ideals established by our heritage. We are more than a scholarship foundation; we are more than a group that meets once a month for coffee. We are a fraternity of a brotherhood that has lasted since 1922, that is something to be proud of!

AHEPA TRI-CITY CHAPTER 454

June 11, 2015

RE: AHEPA District 20 Convention
June 11 – June 14, 2015

Dear Members of the AHEPA Family and Guests,

On behalf of AHEPA Chapter Tri-City 454, it is with great pleasure welcoming all the dignitaries, AHEPA family brothers and sisters and their guests to Chandler, Arizona for the 2015 District 20 Convention.

I would also like to extend a warm welcome to the well-deserved scholarship and award recipients. A very hearty congratulations to all of you. We are very proud of your accomplishments.

Aside from creating a wonderful experience for all the attendees, the vision for the 2015 District 20 convention is twofold. First, we must address the business at hand to keep the Chapters and District moving forward in support of the National AHEPA Family agenda. Secondly, and equally as important is to reinforce and support the ideals of the AHEPA Family, which are Hellenism, Philanthropy, Civic responsibility, Education, Family and Individual Excellence.

Our founding fathers laid the foundation, our brothers and sisters who came before us carried the torch and constantly raised the bar by accomplishing many extraordinary things and forever establishing a legacy that we can all be very proud of. It is now our turn to respectfully carry that same torch and build on the very foundation that was laid before us. We have a responsibility to be purposeful in our actions and to be inspirational to all around us. Both young and old.

I wish to thank all the members of the convention committee, Niki Pallas, Kathy Keyser, Mary Bowen, Dean Argeros, Telis Evripidou and James DeDakis whose tireless efforts contributed greatly to the success of this convention. I would be remiss if I didn't thank the Brothers from Tri-City 454 and the Sisters from DOP Aegina Chapter 340 for their ongoing support. Their combined dedication to make this the very best District Convention possible was unwavering. Also, a thanks must go out to all the sponsors, business and individual, who supported us with ads.

Lastly, a thanks to all the attendees, without all of you a convention would not exist.

Please have a wonderful time and create memories that will last a lifetime.

WISHES

THE DISTRICT 20 AHEPA FAMILY

A SUCCESSFUL AND PRODUCTIVE CONVENTION

Vice President: Louis Thanukos

Secretary: Glenn Thorpe

Dear Ageros

The Arizona Hellenic Foundation was established in 2004 by the AHEPA Tri-City Chapter 454. Its mission is to provide scholarships to college students of Hellenic descent and to promote the Hellenic Culture among the Hellenic community of the Phoenix Metropolitan area.

Since its founding the Foundation has given thousands of dollars annually in scholarships to outstanding students. Additionally, the Foundation has been very active in its cultural endeavors. Some of the things the Foundation has been involved in are: Financial support in the amount of several thousands of dollars to the dance groups of the various Greek Orthodox Churches of the Valley; it has sponsored visits to the Valley by the ambassadors of the Hellenic Republic and the Republic of Cyprus; it has started and it sponsors the Annual New Year's Eve celebration at St. Katherine Greek Orthodox Church.

Some other cultural events sponsored by the Foundation are: A night with Basile the comedian, a showing of the movie "Greece: Secrets of the Past" at the IMAX theater, a night with Chris Spheeris, a Greek American composer/musician. The Foundation has also sponsored performances by the Greek musicians Anny Onofriou, a singer, and piano player and composer Sofia Kamagianni, who, among other projects, is the composer of the music for Aeschylus's Agamemnon, and Perses (Persians) two plays that received excellent reviews by the Greek media.

It is the hope of the Foundation's Board of Directors that the Foundation will be able to continue its mission of financially assisting deserving students in their pursuit of higher education. It is also hoping to have the financial ability to pursuit expansion of its contacts with the educational and artistic communities of Greece. We believe this is imperative for the promotion and preservation of Hellenic Culture in the Phoenix Metropolitan area and Arizona at large.

For more information on the Arizona Hellenic Foundation or for donations please visit our web site " Azhellenic.org".

On behalf of the DeDakis family, I would like to congratulate Dr. Andy Karantinos on being awarded the Lifetime Achievement Award.

Brother Andy exemplifies Hellenism and all its ideals to the fullest.

With all that you have accomplished and supported throughout your many years of service at the Chapter, District and Supreme levels, I can't think of a more deserving recipient.

Fraternally and in friendship,

James W. DeDakis

President, Tri-City Chapter 454

Secretary, District 20

Congratulations Nouno!

We are proud of you,

Love Eric, Nia, Andy and Sophia

Our Sincere Congratulations to my Chapter #454 and our District 20 for a very successful and Productive convention.

Today after 93 short, swift and colorful years since the establishment of the Order of AHEPA, we know that the Cardinal Faith of which it was born has been justified even beyond the dreams of its visionary founders. For AHEPA now is a living temple of Hellenic conscience and represents the aggregate embodiment of Hellenic wisdom, courage and patriotism on this continent and Australia. It is due guard and guide of the present and future destinies of the people of Hellenic descent in America.

And let this convention serve as a forum for the constructive rededication to the time honored traditional principles and ideals of our fraternity, to chart a future course and destiny for a greater tomorrow, for the Oder of AHEPA and Hellenism.

Fraternally yours,
Dr. Andy and Effie Karantinos,
Past District Governor
Past Supreme Governor
Past Supreme Secretary
Past Supreme Secretary of the Supreme Board of Directors
Past Chairman of the National AHEPA Educational Foundation

CHANGING LIVES THROUGH EDUCATION

Helios[®]
Education Foundation

AHEPA District 20

2015 Periclean Award Recipient

Dr. Ioanna Morfessis

A first generation American of Greek heritage, Morfessis was born in Washington, D.C.

Morfessis earned a Bachelor of Arts degree from American University, a Master's of Public Administration from George Washington University, and a Ph.D. in Public Administration from Arizona State University.

Dr. Ioanna Morfessis is an American business woman and an internationally recognized economic development strategist and practitioner. She has been an innovator in economic development programs and strategies since her first post in the profession, founding four economic development organizations and establishing programs and tools that became models for communities across the U.S. Morfessis is a trailblazer as a woman executive in economic development, having served as the first woman to lead economic development organizations in the markets that she served.

Morfessis helped to launch America's first "one-stop" business assistance center for minority enterprises, based in Washington DC; spearheaded the nation's first R&D park dedicated to biotechnology firms and institutions, located in Montgomery County, MD; and catalyzed the City of Phoenix's first public-private economic development partnership, the Phoenix Economic Growth Corporation. As the founding President/CEO of the Greater Phoenix Economic Council, she helped establish a new model for regional collaboration that has been emulated in other major regions in the U.S.

In September 2011, Dr. Morfessis was named the recipient of the International Economic Development Council Lifetime Achievement for Excellence in Economic Development Award for an esteemed career of empowering communities and companies to prosper.

A sought-after economic and business development "guru" and authority on economic and community development trends, Morfessis' work has attracted billions of dollars in job creation and private capital investment in the markets she has served.

"We felt strongly this award was long overdue," says Wynn Storton, District 20 Governor. "In recognizing a woman of Hellenic heritage for her tremendous work for positive economic and community development, AHEPA District 20 stands proud of her strong commitment to Hellenistic values and the example she has set for others."
