Beloved Delegates to our 2023 AHEPA District 20 Mid-Winter Conference

Welcome to our beautiful Palm Desert parish of St. George and the greater desert communities surrounding Palm Springs, California. We are honored to host you for this year's Mid-Winter Conference.

With the beginning of the New Year, 2023, we thank God for all of the blessings that we have received and that we continue to receive. Among those blessings is the presence of Christ in our midst at this time, giving us the opportunity to appreciate one another; to pray for one another, and to work together to do all things that are well-pleasing to our Lord.

Our co-workship and the blessings of our Savior go hand-in-hand. The history of AHEPA has made this evident to the world, in general. The many, many accomplishments of AHEPA nationally and locally are messages of God's love for all people in all places. Such messages are in themselves blessings for both Holy Orthodoxy and Hellenism, as well as for our society as a whole.

With the New Year upon us and with the fellowship that we enjoy with this year's AHEPA District 20 Mid-Winter Conference, let us all *keep on keeping on*. The world needs each one of us, and, through our work today, the AHEPA Family will continue to be known for promoting the Hellenic and Christian ideals of glorifying our Lord and Savior through good works.

God bless,

Fr. Theodore Pantels, Pastor, St. George Greek Orthodox Church, Palm Desert, CA

Beloved Members of the District 20 AHEPA Family,

*“For where two or three are gathered together in My name,
I am there in the midst of them.”
Matthew 18:20*

It is a joy to greet you as the District 20 AHEPA family gathers for your Mid-Winter Conference in Palm Desert, California, graciously hosted by the AHEPA Coachella Valley Chapter 528. Your presence in the southern and southwest regions of our Metropolis is a strong one, demonstrating your unity in faith and your devotion to our Hellenic ancestry. As members of the AHEPA family, you have committed yourself to the ideals of this esteemed organization, and are carrying the torch so that the future of AHEPA may be illuminated for others to follow your good works and continue your legacy of excellence.

You have remained strong in your bonds of brotherhood and sisterhood for the past 100 years, and you have promoted important causes for the people of Greece and for Greek-Americans. The vision and foresight of your educational scholarship program has provided well-deserved encouragement to our youth and is creating a connection to their ancestral roots that will last throughout their lives.

I also wish to thank you for your ongoing support of the church, as faithful stewards, offering of your time and talents in various parish ministries. Through the generosity of your respective AHEPA and Daughters of Penelope Chapters, you have shared your resources in many meaningful ways, and have been ambassadors of good will and Christ’s love in your actions.

I wish you a successful Mid-Winter Conference filled with the Lord’s richest blessings. May this gathering be met with much success, and may the fellowship you enjoy be a lasting remembrance of your bonds as Orthodox Christians and Hellenes.

Dear Fellow Members of the AHEPA District 20 Family:

On behalf of the Supreme Lodge, it has been a great pleasure and honor to serve the highest level of office in our organization and to represent our beloved Order across the globe this past year for our 100th Anniversary Celebrations!

AHEPA is a very unique organization. Commitment to its core values, the perpetuation of the Hellenic ideals, is essential not only to the success of the fraternity but also to the maintenance of the ideals and values of the society in which we live. We have received a rich legacy from those who came before us. We are the stewards of that legacy which we must pass on to those of the next generation. In a time of pause, we should reflect on the great achievements, not just personally, but as the greatest grass roots organization across the world. Our philanthropic work is beyond reproach and is unheralded.

I have been continuing the efforts in encouraging our chapters to donate and or volunteer the time and energy needed to provide any and all within our communities with, the much-needed assistance they so rightfully deserve. The spirit of community service is at the core of our mission, we are proud our chapters have responded superbly! The AHEPA Family continue to provide food for our frontline workers and those in need namely our elderly and those less fortunate. The AHEPA family continues its Hellenic ethos to work hard together to provide assistance around the world.

Our Educational Foundation continues to provide deserving students with the financial assistance needed to pursue their academic dreams. The AHEPA Journey to Greece is also a great cultural enrichment program that, takes our youth and reintroduces them to our great heritage of Greece and affords them transferable college credit(s) while doing so!

My best wishes for a very productive workshop leading to the continuation of that success. I wish you a harmonious and productive deliberations as “ONE” AHEPA Family! I wish to thank everyone for their hospitality and to the courtesies extended to my family and I during my travels. I look forward to seeing everyone at our 101st Annual Supreme Convention in Las Vegas, NV at the wonderful Paris and Horseshoe Las Vegas Hotels, July 23rd – 29th, 2023!

Dear Sisters and Brother of the District 20 AHEPA Family,

I bring you greetings from the Daughters of Penelope worldwide on this, the occasion of your mid-winter conference being held in Palm Desert, California. It is wonderful that you are starting the new year as an AHEPA family- meeting together, planning together and celebrating our wonderful organizations. Congratulations!

This year's theme for the Daughters of Penelope is "The Power of WE". Women's Empowerment benefits everyone. The talents, insights, and ideas that our Sisters embody strengthen not only the Sisterhood of the Daughters of Penelope but the entire AHEPA family. Together we have the capabilities to accomplish great things. Together we embrace new initiatives that will strengthen our communities. Together we can encourage one another to grow and evolve, realizing new talents and interests.

I congratulate you and wish you well as you deliberate for the Good of our respective Orders and the AHEPA Family as a whole. Wishing you an abundance of good health and happiness throughout the New Year.

Sincerely in Theta Pi,

THE ORDER OF THE

To the AHEPA District 20 family

It is an honor to have been invited to such an event at the beginning of the year. During my speech at convention, I talked about how much better it is to work together and the only way we can do so is to communicate and get together. I am glad the west coast is open to this idea and I hope to continue this conversation and build a relationship with the SOP Lodge so we may continue to grow and spread on the west coast.

Starting/reactivating a Son's chapter is a simple process and my Lodge is located around North America. If you have a group of young men interested in starting a chapter, or if you are interested in helping start/reactivate a chapter, I am happy to discuss this with you. Our website is full of preliminary information on where our active chapters are located and how to get started, but I believe some questions cannot be answered on a computer. Please reach out, we are hopeful to hear from everyone. My personal contact information is at the bottom, and I am happy to help any way I can. I know chapters from the west coast, including Fresno, Seattle, Denver, SLC, and more, always enjoy the SOP/MOA events they attend, and I hope we are able to spread the word to strengthen not only our numbers, but the numbers of the local AHEPA and DOP chapters as well.

We are taking steps as a Lodge to be more inclusive of the west coast. We will have an event in Denver May 19-21. We hope this will become a continual event, circling around the west coast area to provide an easier destination for our members over there. Updates to our calendar for the year can be found on our website as well as our social media. Reach out anytime and we will be sure to get you the answers you need and work together to help build the AHEPA Family stronger.

I look forward to hearing from you and I wish you the best during your district conference. Best wishes on a productive 2023.

Fraternally,

Ryan Marinos, SOP Supreme President

Maids of Athena

Office of the Grand President

1909 Q Street NW, Suite 500

Washington, DC 20009

Dear AHEPA Family of District 20,

On behalf of the entire Maids of Athena Grand Lodge, it is with great pleasure that I welcome you to the 2023 District 20 Mid-Winter Conference. The Mid-Winter Conference is an important time of year in which our chapters of all four orders come together, to reflect on our accomplishments, share ideas, and set up a plan to succeed for the remainder of the year. I commend you all for your outstanding devotion to your respective Order and congratulate you on your numerous achievements. Thank you for your active participation in our beloved organization.

As the current leaders of our sisterhood, we want to continue to pass the torch to future generations of Maids of Athena. We have continued to create and promote programs to help pass on our history and foster the future leaders of our Order. The Maids of Athena of today are young women that aspire to do amazing things with their education and professional careers in addition to their time commitment to our Order. Alongside the Sons of Pericles, we have made our national project The Children's Miracle Network, and our Presidents Project the Loukoumi Foundation. In addition to fundraising, our membership is focusing on expanding our existing chapters and increasing our overall membership through the reactivation and initiation of new members – truly exemplifying the goals and ideals of our Sisterhood.

The bonds created and kept within this organization are what makes our AHEPA Family unique, and what has helped this organization prosper for a century. We aim to prepare our members for the responsibility of continuing the legacy of our senior orders, while also relying on our senior brothers and sisters to help us grow. I encourage you to look into your community and find the next generation of leaders who might be interested in the Maids of Athena in District 20 as we do not have any chapters here. Our Grand Lodge is always available to assist in the strengthening and expansion of our order.

I wish you harmonious and productive deliberations in the spirit of Brotherhood and Sisterhood. I thank all of you for your support and I offer our best wishes for continued success and growth in the years ahead.

In Pi Alpha,

Mid-Winter Conference attendees:

Brothers,

I bring you greetings from the Supreme Lodge and wish you the best on your endeavors at this Mid-Winter Conference.

It is my esteem pleasure to serve as your Supreme Treasurer this year and last. As a 40-year member of this fraternity, I take great pride in seeing the grass roots work our members contribute to their communities. AHEPA began as a grass roots organization helping individuals. Though we have grown to an internationally recognized organization, we have not forgotten the principals upon which we were founded.

Through all of my visitations I am continually amazed at the great works being done at the local levels. We make a positive impact on people's lives every day in the communities we serve. Thank you for all you do and thank you for giving me the opportunity to work with you.

Together we can continue to reach new heights.

El Camino Real District 20, Mid- Winter Conference

Welcome Brothers to the El Camino Real District 20 Mid-Winter Conference!

Welcome everyone, to the District 20 Mid-Winter Conference!! I'm so pleased to kick-off our meeting with very good news about the status of our District. During 2022, our Membership increased by 10% over 2021. Fellowship is strong and growing!

The tenets of AHEPA are simple. The Founders mission to establish and promote the Hellenic principles of living, to all who embraced them, took time, devotion, and great conviction. Their inherent belief that such an organization could, and would, thrive on the ideals of strong fellowship, community cooperation, outreach, and patriotic loyalty to America, had a significant effect on taming the antagonistic attitudes about their Greek presence.

The principles of Hellenism are timeless and indisputable. There is still "strength in numbers" and there is still a very human need for Fellowship, Community, and Outreach.

Antagonistic attitudes seem to be escalating at a frightening rate and Americans are at serious odds with each other in the 21st Century.

I believe it's time to stop and realize how blessed we are to have had Ancestor's with such grace and wisdom. They didn't use bullets, or spill blood in the streets to fight their societal battles. Rather they chose to unite and embrace the strength of their integrity, compassion, community, and conviction of ideals.

Brothers, we are so fortunate to have such rich heritage within the scope of our lives that began almost 100 years ago. Our strength is in our numbers. Our desire to live the best lives we can for our families, neighbors and fellow Americans is very much at the core of our beliefs and ideals.

Let us come together, in the spirit of our Founders, love of this great organization, each other, and Country, and rededicate ourselves to further the principals, ideals, and goals of Hellenism at a time when it is so desperately needed.

Happy New Year and Welcome to the 2023 El Camino Real District 20 Winter Conference in Palm Desert, California. We are gathering here this weekend to renew old friendships, make new friends, review past and new information about the Ahepa Family and to plan for a future rich in opportunities to learn, to experience, and to be successful in the years ahead. Your District Lodges have prepared a wonderful and enlightening experience in meeting management, data management, and several other important areas of Ahepa Family life. I welcome you and hope you will find these topics interesting and valuable.

Saturday evening, we will dine together and we will honor a very special Brother with a Lifetime Achievement Award. That distinct honor will go to Brother Peter Souris of Tri-Cities Chapter #454, Chandler, AZ. A lifetime member of the Order of Ahepa, Brother Souris has been known to wear his Ahepa pin everywhere he goes. He has been nick-named, “Mr. Ahepa” in Arizona. Brother Souris has been an asset to his community, his church – St. Katherine – and to his various club affiliations, but none more so than to the Order of Ahepa. He has earned this honor with hours of hard work and dedication to the ideals and practices of the Order of Ahepa. AXIOS! AXIOS! AXIOS!

I would like to thank my District Lodge – Linda, Sofie, Rene, Julie, Frances, Adrienne – for their continuous support and energy in caring for and encouraging our chapters and members to excel in everything they do for themselves and their communities. We are slowly venturing further out than we have the past three years as the threat of Covid retreats. Our numbers are increasing. Members are smiling more often and hugging one another. It is time to celebrate! Tonight’s the night.

AHEPA's Centennial Celebrations did not end with the conclusion of the historic Centennial Supreme Convention in July. In fact, celebrations continued in earnest over the fall. They spanned from sea to shining sea and across the Atlantic to Athens.

Los Angeles

AHEPA's Western Region hosted a Centennial Celebration where the Order honored California Lt. Governor Eleni Kounalakis with the AHEPA Socrates Award, and the Very Reverend John S. Bakas, dean of St. Sophia Greek Orthodox Cathedral, with the AHEPA Archbishop Iakovos Humanitarian Award. Approximately 200 people attended the event, which was held at the Cathedral in Los Angeles, September 17, 2022.

Event sponsor and Ahepan George Marcus introduced Lt. Governor Kounalakis, who is the first woman elected Lt. Governor of California and the first Greek American woman to serve as U.S. Ambassador.

In acceptance of AHEPA's highest honor, Kounalakis spoke about the impact of the AHEPA family on society, and her father, Angelo Tsakopoulos' lifelong participation in AHEPA. She also spoke with pride about her Daughters of Penelope membership and her public service as California's lieutenant governor and as a former American ambassador to Hungary.

Supreme President Jimmy Kokotas introduced Very Rev. Bakas, who is retiring.

In acceptance remarks, Father Bakas recalled the contributions of Ahepans to Hellenic causes who worshiped at the Cathedral, including the late Spyros Skouras, who contributed greatly during the Greek War Relief effort.
