All the Brothers in AHEPA El Camino Real District 20 will work hard at meeting our obligation ending this year at 2016 conventions.

Fraternally, Wynn Storton

To the Honorable District Governor Storton and members of the District 20 Lodge:

In this last fiscal year I attended 6 initiations, including one in Phoenix for the Sons of Pericles, attended, with Supreme Governor Johannides and another Chapter 275 brother, a special dinner in Phoenix with Ahepans and Daughters in attendance to discuss matters of concern to us all, I have visited members of the Sacramento and Albuquerque chapters (outside of D-20 but I happened to be there) and have learned that my concerns over recruiting are shared.

We in District 20 have had a successful year, evidenced by Bro. Storton receiving the District Governor of the Year award, and the momentum needs to continue forward.

I would like to see two things happen:

1) A motivational speaker for the scholarship banquet – my favorite is Ron Heagy, a quadraplegic due to a surfing accident at age 18 who has put himself through graduate school, goes around the country lecturing on positive thinking and overcoming obstacles, not letting your circumstances get you down and keep moving forward no matter what; Ron is now an accomplished mouth painter and his works give no clue that he did them with brush-in-mouth — he's a totally up beat sort of guy and what he has to say would be of tremendous interest to those in attendance – there's only so much name reading and serial thank you speeches that one can stand; how about something helpful to the scholarship winners and their families?

2) Let's hear from those successful at recruiting – what works? What is your elevator speech? What doesn't work? Right now the chapters are pretty well left on their own to figure out how to recruit; my emphasis when I was chapter president was to recruit the younger set; as we have no SOP chapter active in Tucson, go after the 18 & up group, which has worked for us. I was succeeded as chapter president by a new member (age 21) that I recruited when he was 19 for example.

The other point to be made is one need not be Greek, Orthodox, or both to join AHEPA – at the conclusion of every meeting I conducted and whenever I've spoken to AHEPA family groups, I point out that we're recruiting CHRISTIAN men that we would like to have in the fraternity; as a result we have two non-orthodox brothers in Tucson that are doing magnificent work for the chapter and are quite active – brothers I recruited from outside the orthodox family.

I also make a point as to who are not Christians and don't recruit from these sources – Mormons, Jehovahs' Witnesses, Jews, Muslims of course and athiests or anyone else that does not share our belief in the Holy Trinity. Not that these people are "bad" – not at all – it is required in our by-laws that all members be Christian.

Congratulations Bro Wynn on a great year leading the district.

It has been my honor to serve the lodge for another year and I will be pleased to continue.

Fraternally,

Lee Horner
Warden, District 20
