ORDER OF AHEPA  
SUPREME LODGE HEADQUARTERS  
AMERICAN HELLENIC EDUCATIONAL PROGRESSIVE ASSOCIATION

May, 2017

Dear Fellow Members of the AHEPA Family:

On behalf of the Supreme Lodge, it has been a great pleasure and honor to serve at this high level of administration and to represent our beloved Order across the globe this year.

Once again, as we convene our district conventions to plan for the upcoming year and to select our district lodges. Convention deliberations must produce thoughtfully conceived programs and activities. Convention elections must result in strong and committed leadership. If the delegates do their job well the district will enjoy a successful year and the AHEPA will move forward.

This year, my travels took me to numerous districts where I witnessed many worthy chapter and district projects that promoted the mission of AHEPA. From visiting the AHEPA family in Brussels, Belgium, to senior housing dedications, as well as celebrating the District 5 Cancer Gala research goal to attain \$1 million dollars to further the development and reach a cure for cancer, to the tens of thousands of dollars raised and donated to the many other charitable causes, I wish all of these projects continued success as they all help us promote our good name throughout the community as we outreach Together and Towards a flourishing Tomorrow!

Our Educational Foundation continues to provide deserving students with the financial assistance needed to pursue their academic dreams. In the last academic year, the Foundation awarded over \$100,000 in scholarships. The AHEPA Journey to Greece is a great cultural enrichment program that, takes our youth to reintroduce them to Greece and gives them transferable college credit while doing so!

AHEPA is an extraordinary organization. Commitment to its mission statement – perpetuation of the Hellenic ideals – is essential not only to the success of the fraternity but also to the maintenance of the ideals and values of the society in which we live. We have received a rich legacy from those who came before us. We are the stewards of that legacy which we must pass on to those who follow us.

The AHEPA Family has enthusiastically made a commitment to many programs, such as, the resurrection of St. Nicholas at Ground Zero and medical supplies for Mother Hellas. My best wishes for a productive convention leading to continuation of that success. I wish you harmonious and productive deliberations in the spirit of Brotherhood and Sisterhood. I wish to thank everyone for their hospitality and to the courtesies extended to my family during my travels. I look forward to seeing everyone at our Annual Supreme Convention in Orlando, FL at the wonderful Walt Disney Yacht & Beach Club resort during the week of July 24<sup>th</sup> – 30<sup>th</sup>, 2017.

Fraternally,

Andrew C. Zachariades

Greetings Sisters and Brothers,

It is indeed a pleasure to congratulate you as you come together to decide the GOLDEN future of your District and participation in the entire AHEPA Family domain. Kali Arxi!

Your continued service to your chapters, your communities and to the Mission Statement of our Orders is an example of your selflessness. Your individual and collective work ethic in the name of Hellenism does not go un-noticed and are heralded far and wide.

You are on the threshold of an amazing time in your District and Chapters and the decisions that you make during your deliberations are GOLDEN MOMENTS that will be far reaching into your District's history and its future. Think clearly, speak without prejudice, and continue to deliberate for the Good of the Order.

I look forward to spending time in your District soon to embrace old friends and meet new ones. My most sincere best wishes for a very successful Convention, as you continue to make GOLDEN MEMORIES. I add my personal congratulations to those members who will carry your banner high when they are installed as newly elected chapter or district officers for 2017-2018.

Yassou to the D20 AHEPA Family Convention!

On behalf of our Supreme President Andrew C. Zachariades, I wish you all great success at this convention. I want to thank you for the honor of your invitation to participate in your deliberations and programs at your district convention. While serving on the Supreme Lodge it has been a privilege to travel throughout the AHEPA domain both here and abroad. It is especially rewarding to see old friends, make new ones and learn from your best practices to share with our brothers and sisters across the Order. The brothers and sisters of D 20 represent the heart of our order. You represent well the values and ideals of our purpose and are second to none in the use of social media and other mediums for public awareness.

Through your participation in the AHEPA Journey to Greece Program, the AHEPA National Housing program, your significant contributions to educational scholarships, your support of the church, your contributions to the rebuilding of St. Nicholas Greek Orthodox Church at ground zero, your many programs and initiatives supporting local charities such as homeless shelters and food banks, you are all carrying out the mission first set forth by the founders and leaders of the AHEPA and the DOP.

As we prepare to celebrate our 95<sup>th</sup> year we must adapt to changing needs and opportunities for us to better serve our communities and national projects. We must focus on developing the next generation of leaders. We must focus, with your knowledge, on adapting to new technologies; especially social media to better communicate our mission, our purpose and our impact to the millennials who will one day, very soon, be sitting where we sit now. I wish you all good deliberations, the sharing of ideas and the successful implementation of new initiatives. Let us, the Supreme and Grand Lodges, know what we can do to better support your great works.

Again, thank you for the honor to be here with you at your district convention.

Fraternally,

Dear AHEPA Family,

When Grand President Jan Spanos appointed me as Liaison to District #20, I was extremely delighted and thrilled to be once again the Liaison to this District. The friendships I have made with District #20 started when I attended the Sisterhood events. Now, I look forward to the Sisterhood each year and also to the Supreme Convention when I can see my Sisters from #20.

I wish to thank District Governor Christine for keeping me informed about the events occurring in the District and also several chapter officers for sending me their information.

Wishing all of the AHEPA Family delegates of District #20 to think clearly and wisely in all their deliberations for a productive Convention. Remembering the Mission Statement of the Daughters of Penelope to promote Hellenism, Education, Philanthropy, Civic Responsibility, Family and Individual Excellence.

I am delighted to be part of this wonderful District and look forward to a wonderful Convention in June.

Dear AHEPA Family of El Camino Real District 20,

Welcome to the 2017 District 20 Convention at the beautiful Hyatt Regency Indian Wells Resort & Spa. Congratulations and thank you to the organizing committee for their hard work and dedication to make this a successful and enjoyable event. I apologize for not being able to attend this year's District Convention in person. However, I am sure that Supreme Secretary Carl Hollister will do a great job on behalf of the entire Supreme Lodge.

I believe that effective communication is the key to reaching consensus on the key issues facing our fraternal organization. We need to remember that we all come from different backgrounds and experiences. No single person has all of the answers and it is important that every member has a chance to provide their input. District Conventions such as this one are key to promoting communication and understanding as we move forward. I would especially like to thank all the members who have traveled so far to attend.

I look forward to seeing many of you next year at the Atlantis Hotel in Reno on June 22-23 for our 2018 Western Regional District Convention. Take advantage of this unique opportunity to meet your neighboring Brothers and Sisters from Districts 17, 21, and 22. The Western Ahepa Districts are doing a lot of great work for the Ahepa Family and you should be proud of your accomplishments.

As Supreme Governor of Region 8, I am truly grateful to the Ahepa Family of District 20 for their warmth and true hospitality throughout the past year. Special thanks to Ahepa District Governor Alex Soles for his hard work and dedication to improving our great organization. I wish you all the best for a productive District Convention.

Warmest Regards,

Dear Fellow Member of the El Camino Real District 20 AHEPA Family,

On behalf of the District Lodge we welcome you to our 86th Annual District Convention in Indian Wells, California. Once again we welcome a member of the Supreme Lodge, Carl Hollister, Supreme Secretary. Brother Hollister it is an honor to have you back in District 20.

The 12 months that have elapsed since the WRDC Convention in Anaheim have proved to be personally stimulating because of the enthusiastic response on the part of all members of our AHEPA Family.

I personally believe that this response is largely due to the leadership of our Past District Governors, The knowledge, the experience and the commitment that they have taken on to be District Governor is vital to the future of the Ahepa. Their ongoing dedication to remain involved whether it is showing the younger members how to run meetings, or the importance of stepping up to be Chapter President or how to put on a Conference or Convention is priceless. Thank you for your continued efforts.

I encourage each of the Chapters throughout the District to develop programs for the coming year that should be specifically aimed towards all possible ways and means to develop worthwhile projects for our Sons and Maids that will encourage our Youth's participation in the AHEPA Family.

The 2017 Ahepa Family Supreme Convention will be in Orlando, Florida at the Walt Disney World Resort, July 24 - July 30. If you are still interested in attending please visit [Ahepa.org/convention.htm](http://Ahepa.org/convention.htm)

In closing, I extend my warm wishes for a most enjoyable and successful convention. I wish to thank George Booras, Supreme Governor - Region 8, Christine Markos, Daughters of Penelope, District 20 Governor and Past District Governor Wynn Storton for all their support and advice over this past year.

It is my honor to welcome you to the 2017 District 20 Ahepa Family Convention at the Hyatt Regency Indian Wells Resort and Spa! I am also delighted to once again welcome Diane Petersen, our Grand Secretary and Grand Liaison. It is always a pleasure to see her smiling face and I have cherished her guidance and support.

Thank you for a wonderful year as your District Governor. This year has been an exciting albeit a challenging one. I am happy to report that in my travels I was able to meet with every chapter in our district! You have embraced me and shown me kindness, love and acceptance, and for this I am most grateful.

I would especially like to thank those of you who took the time to attend this convention, and for your continued belief in the spirit and mission of our Sisterhood. My hope is that we take this time to promote communication and understanding among our entire AHEPA Family. Let us think about where our organization is heading and how we can continue to promote the ideals of our founders while keeping an open mind to new ideas and new visions. I strongly believe that our future rests among the youth. The need for growth in the Maids of Athena and the Sons of Pericles chapters in our District is extremely important if we are to revitalize our presence. Communication and growth are the keys to our future success as a leading charitable organization worldwide.

It is with the spirit of our order that I would like to mention and honor one of our own, Sister Elaine Kitros, who celebrated her 100th birthday in January!! Elaine was initiated into the Daughters of Penelope in **1941**, was a founding member of the Hyperia chapter, a two-time District Governor for our district, and a national office holder. On behalf of District 20, I wish Elaine a very Happy Birthday and may God bless her with many more years filled with love, health and happiness.

A very special thank you to my fellow lodge officers for the kindness and support I have received this past year.

I wish you all the best for a productive, harmonious and enjoyable District Convention.

Love in Theta Pi,

Christine Markos

✠Eusebius, Bishop of Samosata

Dear Brothers and Sisters of the AHEPA District #20 Family,

May the grace and peace of Jesus Christ be with you!

It is a joy to convey my paternal blessings and congratulations to the AHEPA District #20 family on the occasion of your 86<sup>th</sup> Annual Convention in Indian Wells, California. I know that the AHEPA District #20 leadership has been working to plan an informative and enjoyable gathering, and I am certain that you will be enriched by the many unique opportunities being offered this weekend.

For 95 years, AHEPA has stood strong as a beacon of hope and promise for the preservation of Hellenism and Orthodoxy. I encourage you to continue supporting the important initiatives that promote our ancestral heritage, education, advocacy, and serving those in need.

I also wish to congratulate Mr. Peter Palmer who, at 95 years of age, still exemplifies the ideals of AHEPA and is most fittingly being honored with the Lifetime Achievement Award. Peter has been a devoted member of AHEPA for 67 years and I pray that his examples of service, philanthropy and leadership may inspire future generations in their participation as members of the AHEPA family.

Beseeking the Lord that He may grant you His abundant blessings of mercy, strength and wisdom so that you may continue your good works for His Glory, I remain,

With Love in Christ,

## Members of the AHEPA Family District 20:

Welcome to the beautiful Coachella Valley for this year's District 20 AHEPA Family Convention.

It is an honor for our St. George Greek Orthodox community of Palm Desert to be in a position to lend to you any spiritual support that you need. It is, indeed, an honor, because the AHEPA Family has historically been a part of the life of our Greek Orthodox Church, through dedicated efforts in supporting the construction of our many church temples all over our country.

I am especially proud to remind both parishioners and the people throughout the general Coachella Valley community of the AHEPA Family's massive support in the construction of the St. Nicholas Greek Orthodox National Shrine in NYC.

The District 20 AHEPA Family's support in this national effort serves to inspire everyone in knowing that God's Commandments are the greatest tools for showing the Divine Love to all of humanity. In this, we are tangibly reminded that God's love is a reality for every human being.

In light of this reality, we welcome each of you, not only as physical guests for the weekend, but as time-tested and true co-workers in prayer; in spreading the Gospel message and in doing God's work in our present-day society, especially through the AHEPA Family's specialty of championing the values of charity and education.

May our Lord God and Savior Jesus Christ grant to you all of His many and great blessings now and always.

In Service to Christ our God and Savior,

Fr. Theodore Pantels
